CERTIFICATE

(Issued February 20, 2004)

On January 13, 2004, France Telecom Corporate Solutions L.L.C. (France) filed with the Utilities Board (Board) an application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29. Also on January 13, 2004, France filed a proposed tariff that contained the terms, conditions, and rates for local exchange service and listed the exchanges where France intended to provide service. Revisions to the proposed tariff were filed on February 2, 2004. The proposed tariff and revisions have been identified as Docket No. TF-04-9.

An order approving the application and the proposed tariff, with revisions, is being issued concurrently with this certificate. Since France will have an approved tariff to provide local exchange service, the Board will issue Certificate No. 0277, authorizing France to provide local exchange service in the listed exchanges.

IT IS THEREFORE ORDERED:

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1) (2003), authorizes France Telecom Corporate Solutions L.L.C. to furnish local telephone service in the exchanges as shown by its tariffs as currently and subsequently approved.
